Dirigida por sobrevivientes • Movilizando para acabar con el abuso de pareja

The Network/La Red is a survivor-led, social justice organization that works to end partner abuse in lesbian, gay, bisexual, transgender, BDSM, polyamorous, and queer communities. Rooted in anti-oppression principles, our work aims to create a world where all people are free from oppression. We strengthen our communities through organizing, education, and the provision of support services.
